4.7 If Customer wishes to increase the Authorized Mailbox Quota in respect of any Service(s), then Customer will notify Tessian in writing. Tessian will then provide a new Service Order. Upon execution of the new Service Order, Tessian will have the right to invoice Customer for the applicable Subscription Fees.

4.8 Customer may not reduce the Authorized Mailbox Quota until the next Renewal Term.

6. CONFIDENTIALITY

6.1 Each party may be given access to Confidential Information from the other party in order to perform its obligations or

exercise its rights under the Agreement. Tessian acknowledges that the Customer Data is the Confidential Information of Customer. Customer acknowledges that details of the Services and the results of any performance tests of the Services are Tessian's Confidential Information. Each party will hold the other's Confidential Information in confidence and not make the other's Confidential Information available to any third party except as required for Tessian to provide the Services or as otherwise expressly provided in this Agreement, or use the other's Confidential Information for any purpose other than the implementation of the Agreement. Each party will take all reasonable steps to ensure that the other's Confidential Information that it has access to is not disclosed or distributed by its employees or agents in violation of the terms of the Agreement. Except where Confidential Information is subject to the provisions of the Data Protection Exhibit neither party will be responsible for any loss, destruction, alteration or disclosure of Confidential Information caused by any third party.

6.2 A party's Confidential Information will not be deemed to include information that: (i) is or becomes publicly known other than through any act or omission of the receiving party; (ii) was in the receiving party's lawful possession before the disclosure; (iii) is lawfully disclosed to the receiving party by a third party without restriction on disclosure; or (iv) is independently developed by the receiving party, which independent development can be shown by written evidence.

6.3 Where disclosure is required by law, by any court of competent jurisdiction, or by any regulatory or administrative body, the party in receipt of the legal request purporting to require such disclosure will promptly, if permitted by applicable law, attempt to redirect the requesting third party to the disclosing party. If a receiving party's redirecting efforts are unsuccessful or impermissible, it will, if permitted by applicable law, prior to disclosure, provide as much notice of the legal request to the disclosing party, which notice will include, if permitted by applicable law, a copy of the legal request, as is reasonably practicable to allow the disclosing party to seek a protective order or file a motion to quash.

6.4 Upon expiration or termination of the Agreement, subject to the terms and conditions of this Agreement, the receiving party will destroy (or at the request of the disclosing party, return) all copies of all Confidential Information of the disclosing party in its possession or under its control. Despite the foregoing, the receiving party: (i) will not be required to return or destroy copies of the disclosing party's Confidential Information from its disaster recovery and/or business continuity databases, where doing so would be commercially impracticable; and (ii) may retain a single archive copy of the Confidential Information to the extent required to comply with applicable legal and regulatory requirements, provided that in either case the receiving party maintains the Confidential Information in compliance with the terms of the Agreement until destroyed, which will occur as soon as reasonably practicable.

6.5 This clause 6 shall survive termination or expiration of this Agreement, however arising.

7. WARRANTIES AND DISCLAIMERS

7.1 Subject to Section 7.2-7.5, Tessian warrants that: (i) provided the Local Software is properly installed and implemented, the Software will operate in material compliance with the Specifications during the Warranty Period (excluding any non-conformance which is caused by: (a) use of the Software in violation of Tessian's instructions and the Agreement; (b) any lack of network, telecommunications or internet connectivity; and (c) modification or alteration of the Software by any party other than Tessian, its subcontractors, or agents); (ii) all services to be provided by it under this agreement will be performed with reasonable skill and care; and (iii) it will use commercially reasonable efforts to ensure that the Local Software does not contain any virus, spyware, adware, time bombs, back-doors or malicious codes.

7.3 For any breach of Tessian's representations and warranties herein, Customer's sole and exclusive remedy, and Tessian's sole obligation, will be at Tessian's sole discretion and expense, to either: (i) repair or replace the defective Services to enable it to perform substantially in accordance with the Agreement; or (ii) terminate the Agreement and refund to Customer the pro-rata portion of the prepaid fees by Customer to Tessian for the defective Services.

7.4 If Tessian does not correct such non-conformance within 30 Business Days of Customer's notice, Customer may immediately terminate the Agreement and be entitled to receive a pro-rata refund of any prepaid but unused Subscription Fees.

7.5 EXCEPT AS EXPRESSLY PROVIDED IN SECTION 7.1, TESSIAN MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, IN CONNECTION WITH THE AGREEMENT OR THE SERVICES AND TESSIAN HEREBY DISCLAIMS ANY AND ALL IMPLIED TERMS OF ANY KIND RELATING TO MERCHANTABILITY, SATISFACTORY QUALITY, ACCURACY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. TESSIAN DISCLAIMS ANY WARRANTY THAT THE SERVICES WILL BE ERROR FREE OR UNINTERRUPTED OR THAT ALL ERRORS WILL BE CORRECTED. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED FROM TESSIAN OR ELSEWHERE SHALL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THE AGREEMENT. Customer acknowledges that:

(i) the analysis produced by the Services relies on learning from historical email data and previously typical patterns and behaviors in relation to the sending of emails and does not reflect all email data and all recent or emerging patterns and behaviors; and (ii) the information generated by the Services is intended for use as an aid to customers of similar sophistication in making their own informed judgments concerning the release of emails and the Services are not a substitute for Customer's own judgement in determining whether an email should be released. Customer will be responsible for any use that it makes of the information and/or generated by the Services.

8. INDEMNITY

8.1 Customer will indemnify and hold harmless, Tessian, its officers, directors, and employees against all claims, actions, proceedings, losses, damages, expenses and costs (including without limitation court costs and reasonable legal fees) arising out of or in connection with Customer's breach of the Data Protection Exhibit, or its misuse of the Services, provided that: (i) Tessian gives Customer prompt notice of any such claim; (ii) Tessian provides reasonable co-operation to Customer in the defense and settlement of such claim, at Customer's expense; and (iii) Customer is given sole authority to defend or settle the claim, provided that Customer may not settle any claim in a manner that imposes any material liability upon Tessian.

8.2 Tessian will defend Customer (including its officers, directors, employees, contractors and agents) against any claim directly resulting from unauthorized disclosure or misuse of Customer Data because of Tessian's breach of its obligations and rights under Section 2, and will indemnify Customer for any amounts finally awarded against Customer in judgment or settlement of any claims, provided that: (i) Tessian is given prompt notice of any claim; (ii) Customer provides reasonable co-operation to Tessian in the defense and settlement of any claim, at Tessian's expense; and (iii) Tessian is given sole authority to defend or settle any claim, provided that Tessian may not settle any claim in a manner that imposes any material liability upon Customer.

8.3 Tessian will defend Customer (including its officers, directors, employees, contractors and agents) from and against all liabilities, damages, and costs arising out of a third party claim that the Services and/or Software (excluding any Customer Data contained in Reports) infringe or misappropriate any patent, copyright, trade secret or trademark of such third party ("IP Claim"). Tessian will further indemnify Customer for any amount finally awarded against customers in judgment of any IP Claim. Notwithstanding the foregoing, in no event shall Tessian have any obligations or liability under this section arising from: (i) use of the Software (and/or Services) in a modified, unauthorized, or unintended form; (ii) use of the Software (and/or Services) in combination with third party technology or materials if the IP Claim would have been avoided had such combination not occurred; (iii) use of non-current versions of the Software (and/or Services) if such IP Claim could have been avoided by Customer's use of the current

version of the Software (and/or Services); (iv) misuse or unauthorized disclosure of Customer Data; or (v) Customer's violation of this Agreement. Tessian's obligation to indemnify, defend and hold harmless will only apply in situations where: (i) Tessian is given prompt notice of any claim; (ii) Customer provides reasonable co-operation to Tessian in the defense and settlement of any claim, at Tessian's expense; and (iii) Tessian is given sole authority to defend or settle any claim, provided that Tessian may not settle any claim in a manner that imposes any material liability upon Customer.

8.4 In the defense or settlement of any IP Claim, Tessian may procure the right for Customer to continue using the Services, replace or modify the Services so that they become non-infringing or, if such remedies are not reasonably available, terminate the Agreement and give Customer a refund of any unused Subscription Fees as of the effective date of termination without any additional liability or obligation to pay damages or other additional costs to Customer outside the scope of the indemnity in Section 8.3.

8.5 In no event will Tessian, its employees, agents and subcontractors be liable to Customer to the extent that any claim is based on: (i) a modification of the Services by anyone other than Tessian; (ii) Customer's use of the Services in a manner contrary to the instructions given to Customer by Tessian or the Agreement; (iii) Customer's use of the Services after notice of the alleged or actual infringement from Tessian or any appropriate authority; (iv) Customer's breach of its obligations in Section 1.3; or (v) the combination, operation or use of the Services with equipment, devices, software or data (including without limitation Customer Data) not supplied by Tessian, if a claim would not have occurred but for such combination, operation or use.

8.6 This Section 8 states Customer's sole and exclusive rights and remedies and Tessian's (including Tessian's officers' employees', agents' and subcontractors') entire obligations in respect of any IP Claim.

9. LIMITATION OF LIABILITY

9.1 EXCLUSION OF DAMAGES. TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY OR ITS AFFILIATES WILL BE LIABLE TO THE OTHER PARTY UNDER OR IN RELATION TO THE AGREEMENT, THE SOFTWARE AND / OR THE SERVICES (WHETHER SUCH LIABILITY ARISES IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE) FOR ANY: (I) INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES; OR (II) LOSS (WHETHER TOTAL OR PARTIAL) OF OR DAMAGE (WHETHER DIRECT OR INDIRECT) TO (A) PROFITS, REVENUES, SALES, BUSINESS, AND/OR REPUTATION, OR (B) SOFTWARE AND/OR DATA, , IN EACH CASE REGARDLESS OF WHETHER THE RELEVANT PARTY WAS AWARE OF THE POSSIBILITY OF SUCH DAMAGE AND EVEN IF A REMEDY FAILS ITS ESSENTIAL PURPOSE.

IN THESE JURISDICTIONS, TESSIAN'S LIABILITY WILL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW.

10. TERM AND TERMINATION

10.1 The Agreement will start on the Effective Date, continue for the Initial Subscription Term and will automatically renew for successive Renewal Terms, unless otherwise terminated as provided for herein.

10.2 Without affecting any other right or remedy available to it, either party may terminate the Agreement: (i) by giving at least 30 days' written notice to the other party, effective at the end of the Initial Subscription Term or at the end of any Renewal Term, as applicable; or (ii) with immediate effect by giving written notice to the other party if the other party: (a) fails to pay any amount due under the Agreement on the due date for payment and remains in default more than 30 days after being notified in writing to make such payment; (b) commits a material breach of the Agreement and fails to remedy that breach within 30 days after being notified in writing to do so (unless such breach cannot be remedied, in which case, termination will be immediately effective); (c) is unable to pay its debts as they become due, makes a general assignment for the benefit of creditors, or makes a petition under applicable bankruptcy law, or a petition under applicable bankruptcy law is filed against that party, and that

Those provisions include, but are not necessarily limited to: Sections 2.1, 2.2, 3.3, 4.1-4.3, 5, 6, 7.5, 9, 10.2-10.4, 11 and 12, all associated definitions and all accrued rights to payment.

11. MISCELLANEOUS

11.1 Force Majeure. Tessian will have no liability to Customer under the Agreement if it is prevented from or delayed in performing its obligations under the Agreement, or from carrying on its business, by acts, events, omissions or accidents beyond its reasonable control (each a “**Force Majeure Event**”), provided that Customer is notified as soon as reasonably practical of such an event and its expected duration.

11.2 Variation. If Tessian wishes to amend these Terms and Conditions, it may provide Customer with written notice of the proposed amendments and, if Customer has not notified Tessian in writing within 45 days of any objections to such amendments, they shall then automatically come into force and all references to the Terms and Conditions shall be to the Terms and Conditions as so amended.

11.3 Waiver. No failure or delay by a party to exercise any right or remedy provided under the Agreement or by law will constitute a waiver of that or any other right or remedy, nor will it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy will prevent or restrict the further exercise of that or any other right or remedy.

11.4 Rights and Remedies. Except as expressly provided in the Agreement, the rights and remedies provided under the Agreement are in addition to, and not exclusive of, any rights or remedies provided by law.

11.5 Severance. If any provision (or part of a provision) of the Agreement is found by any court or administrative body of competent jurisdiction to be invalid, unenforceable or illegal, the other provisions will remain in force. If any invalid, unenforceable or illegal provision would be valid, enforceable or legal if some part of it were deleted, the provision will apply with whatever modification is necessary to give effect as closely as possible to the commercial intention of the parties.

11.6 Entire Agreement. The Agreement, and any documents referred to in it, constitute the whole agreement between the parties and supersede any previous arrangement, understanding or agreement between them relating to the subject matter they cover. Each of the parties acknowledges and agrees that in entering into the Agreement it does not rely on any undertaking, promise, assurance, statement, representation, warranty or understanding (whether made negligently or innocently and whether in writing or not) of any person (whether party to the Agreement or not) relating to the subject matter of the Agreement, other than as expressly set out in the Agreement.

11.7 Assignment. Tessian may at any time assign, delegate, novate or otherwise transfer or part with any or all of its rights and obligations under the Agreement in connection with a sale of all or substantially all of its business or assets. In all other respects, neither party will, without the prior written consent of the other party (not to be unreasonably withheld or delayed), assign, transfer, charge or deal in any other manner with all or any of its rights or obligations under the Agreement.

11.8 No Partnership or Agency. Nothing in the Agreement is intended to or will operate to create a partnership between the parties, or authorize either party to act as agent for the other, and neither party will have the authority to act in the name or on behalf of or otherwise to bind the other in any way (including, but not limited to, the making of any representation or warranty, the assumption of any obligation or liability and the exercise of any right or power).

11.9 Third Party Rights. The Agreement does not confer any rights on any person or party (other than the parties to the Agreement and, where applicable, their successors and permitted assigns).

11.10 Marketing. Customer grants a non-exclusive, royalty-free, non-transferable license during the Subscription Term to Tessian to use Customer’s name and/ or logo on Tessian’s website and marketing materials provided that Tessian complies with any Customer branding guidelines provided to Tessian. Other than as set out in the Agreement, no party will make, or permit any person to make, any public announcement concerning the Agreement without the prior written consent of the other parties (such consent not to be unreasonably withheld or delayed). Subject to Customer’s prior approval, Tessian may prepare and publish a case study about Customer and Customer’s use of the Services. Tessian may insert the words “This email is protected by Tessian” to the footer of all Authorized

Mailboxes' outbound emails checked using the Software. Following the successful roll-out of the Services, Customer and Tessian will jointly prepare and publish a press release (in a form agreed between the parties) announcing Customer's use of the Services.

- 11.11 **Notices.** Any notice required to be given under the Agreement will be in writing and will be delivered by hand or sent by pre-paid first-class post or recorded delivery post to the other party at its address set out in the Agreement, or such other address as may have been notified by that party for such purposes or, if sent by email, to the email address given in the most recent Service Order entered into by the parties for the Customer Contact or Tessian Contact (as applicable). In each case, a copy of such notice shall be sent simultaneously to legal-enquiries@tessian.com. A notice delivered by hand will be deemed to have been received when delivered (or if delivery is not in business hours, at 9 am on the first Business Day following delivery). A correctly addressed notice sent by pre-paid first-class post or recorded delivery post will be deemed to have been received at the time at which it would have been delivered in the normal course of post. A notice sent by email will be deemed to have been received at the time the email enters the information system of the intended recipient provided that no error message indicating failure to deliver has been received by the sender.
- 11.12 **Order of Precedence.** In the event of a conflict or inconsistency between the provisions of these Terms and Conditions, the provisions of any Service Order(s), the provisions of the Exhibits, unless expressly stated to the contrary the following order of precedence will apply: (i) the Service Order (and if more than one, in date order priority, with the most recent first); (ii) these Terms and Conditions excluding the Exhibits, and (iii) the Exhibits.
- 11.13 **Governing Law and Jurisdiction (US).** This Section 11.13 applies if the Tessian entity on the applicable Service Order(s) is Tessian Inc. The Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) will be governed by and construed in accordance with the law of the state of California without regard to its conflicts of law principles. The United Nations Convention on Contracts for the International Sale of Goods does not apply to the Agreement. Each party irrevocably agrees that the courts of California will have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with the Agreement or its subject matter or formation (including non-contractual disputes or claims). Where applicable, each party hereby waives its respective rights to a jury trial of any claim or cause of action relating to or arising out of the Agreement. This waiver is intended to encompass any and all disputes that may be filed in any court and that relates to the subject matter of the Agreement. Each party further represents and warrants that it has consulted with legal counsel concerning this waiver and that it provides the waiver under this Section 11.13 knowingly and voluntarily.

11.14 **Governing Law and Jurisdiction (UK).** This Section 11.14 applies if the Tessian entity on the applicable Service Order(s) is Tessian Limited.
